MONTANA SURPLUS LINES AGENTS' ASSOCIATION – NEWSLETTER

MARCH 2009

Hello MSLAA Member,

I want to give you a quick update on what is happening at the stamping office in the next couple of weeks.

1. Remember 2008 tax statements are due to the State of Montana by **April 1, 2009** and checks are made payable to: **State of Montana**.

You cannot change the tax statement; it must be paid as it is listed. If you find problems with the statement, please contact the stamping office immediately so they can make changes and reissue you a new tax statement. Changing your statement without the approval of the stamping office will result in penalties being assessed. Call 406-443-7324 x 104 for corrections or questions about your tax statement. **Note: Friday March 27, 2009 will be the last day for any corrections to your 2008 tax statement. After that date you will have to pay the statement as it is billed. All corrections after Friday, March 27, 2009 will be reflected on the 2009 tax statement.**

2. Our Approved Risk List Committee ([White List /ARL](#)) will be meeting on April 1, 2009. If you have any suggested changes for the committee to review, you can email your suggest change with a detailed explanation to [mslaa@iiamt.org](mailto:mslaa@iiamt.org).
